## **GALLERIES ASSOCIATION OF KOREA**

### **in the CONTEXT Pavilion**

Galleries Association of Korea, as a meeting of nationwide galleries, was founded in 1976 with a sense of duty to the establishment of order in the circulation and to foster a sound art market as well as to promote the understanding and popularization of art and contribute to the global advancement of the culture of art. It was registered as a social organization of the ministry of culture and information in 1979. By being promoted to a corporation in 1991, its social obligation has been strengthened.
